Hi Lorena and Eric,

I hope all is well and it was nice to see you at the recent PBID meeting. The Port of LA is looking at bringing the Metro Bike Share program along the LA Waterfront and we are looking at placing a station in or around the Downtown San Pedro area with the PBID district. We have identified a couple of spots where these stations may fit and we want to get your opinion on a location that would work best for the consumer and somewhere that will not impede on the downtown businesses. I have the following times available for us to meet:

Thursday, Feb 11th meeting times of 9, 10 or 11

Tuesday, Feb 16th meeting times of 9, 10 or 11

Wednesday, Feb 17th meeting times of 10 or 11

Thursday, Feb 18th meeting times of 10 or 11

If you would like to know more about the Metro Bike Share program, please look at the following link:
